Attorney for Defendant  
Damien Cesena

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
**SAN FRANCISCO DIVISION**

UNITED STATES OF AMERICA,  
Plaintiff,  
v.  
NELSON, *et al.*,  
Defendants.

CASE NO. CR-17-0533-8-EMC

STIPULATION AND [PROPOSED] ORDER  
CONTINUING HEARING

Mr. Cesena previously filed a motion to compel discovery, and a hearing on that motion is currently set for January 31, 2018. However, the parties just met and conferred regarding discovery and the related protective order on January 25, 2018. As a result of that meet and confer, Mr. Cesena is contemplating withdrawing the motion to compel. Further, a hearing on the motion is not timely given that Mr. Cesena still needs to decide on his position regarding the Government's proposed protective order in light of the recent meet and confer. Accordingly, the parties are requesting that the hearing currently scheduled for January 31, 2018 be rescheduled to February 6, 2018.
